Miss Mobley & Mr. Shook Plan May Wedding

Mr. and Mrs. C.W. Mobley of Victoria announce the engagement and forthcoming marriage of their daughter, Anita Denise, to Derek Penton Shook of Montgomery, son of Lt. Col. and Mrs. Fredric W. Shook of Montgomery.

The bride-elect is the granddaughter of Mr. and Mrs. C.D. Mobley of Victoria, and the late Mr. and Mrs. Edgar H. Smith of Malone, Fla.

Miss Mobley is a graduate of Elba High School, Enterprise State Junior College, Auburn University at Montgomery, and Auburn University, Auburn. She was a member of Phi Theta Kappa and Omicron Delta Kappa, National Honor Societies, and is a member of the American Speech and Hearing Association. She is employed as a speech-language pathologist at the David B. Monks Developmental Clinic in Montgomery.

The future groom is the grandson of the late Mr. and Mrs. Ellis C. Granger Sr. of Equality, Ala., and the late Mr. and Mrs. W.C. Shook of Ft. Worth, Texas.

Mr. Shook is a graduate of Jefferson Davis High School in Montgomery, and Auburn University at Montgomery. He was a member of Sigma Phi Epsilon social fraternity. He is employed by Renfro's in Montgomery.

The wedding will be an event of May 9, at four o'clock in the afternoon at Victoria Baptist Church. No local invitations are being sent. All friends and relatives are invited to attend.

Miss Anita Mobley

Haiku???

By: SHARON POPE
A haiku is an ancient form of Japanese poetry. This poetry is what the seventh-grade students in Mrs. Rhonda Brunson's English class has been studying.

The poem is three lines long, totaling 17 syllables, and usually concerns nature.

Mrs. Brunson chose the following four poems as good examples of a haiku.

The new sun breaks day!
As the old moon floats away,
The sky comes to stay.

Marty Stokes

As the lightning starts
The night creatures come around
At the day they run away.

Karen Price

As the sun goes down
The night creatures come around
At the day they run away.

Dewayne Pope

When the morning comes
And roosters crow and birds sing,
Then the sun lights up.

Third Graders Study Airports And Harbors

By: TAMMY DUNCAN

Airports and harbors have been two very important subjects discussed by Mrs. Sylvia Hudson's third-grade Social Studies class. As

the students studied and learned the importance of each, they were asked to pick one of the two and do a project.

The students' projects were graded on creativity, how much it looked like an airport or harbor and how many different types of objects were used.

The projects were assigned March 6 and were due March 20.

ANNUAL STAFF SALES

Randy Flowers, Gina Huckabee and Stephanie Goodson were the top salespersons in the annual staff sales. Randy sold \$315, Gina \$309.50 and Stephanie \$225. Total of all sales was \$1927.50, and profit from this total will be \$771.

The "Easter Sales," as Mrs. Bryan calls them, were held March 5-20. Fifteen students participated, and they have now completed the first step in qualifying for the Rebel 88 staff. They must also attend a local workshop, held by Mrs. Rachel Bryan and Mrs. Cheryl Murchison, and participate in the ad sales.

Placemats, note pads, mugs, magnets, picture frames, candles, stuffed animals, posters, key chains, calendars and coasters were among the items sold.

WEIGHT LIFTING PROGRAM

By: PETE BRYAN

In order to build strength for next year's football squad, Coach Tom Moates and Mr. Lanny Shepard from the Enterprise YMCA have developed an off-season weight program. Mr. Shepard met with the team the week before spring training started and explained and demonstrated the proper techniques for lifting weights. He set up a schedule for the weeks to come, and discussed the advantages and disadvantages of lifting weights.

Mr. Shepard organized the team into eight different groups, to exercise at eight different stations. The groups will alternate the workouts with one day working on upper body, the next day on lower body. The exercises for the upper body muscle are bench-press for the triceps and chest muscles, curls for the biceps, and sit-ups and leg

lifts for the abdominal muscles. Exercises for the lower body muscles are the dead lift, for the lower back and hamstring muscles, and the sled, the leaper and the leg extension for the other leg muscles.

Coach Moates feels that if all the players stay with the weight program it will increase the possibilities of a successful season.

RESOURCE STUDENTS ATTEND FILM FESTIVAL
By: LISA DYER
"Home of the Little People" and "Lilo & Stitch: Princesses of Power" were the two Walt Disney films seen by nearly 45 Resource students on Friday, March 20. Mrs. Melinda Hodge, Mrs. Lou Ann Bryan and Miss Karen Miller were the chaperones for the students from Zion Chapel. There were also students attending from all over Coffee County, Troy City Schools, Coffee County Training Center, Enterprise and various day care centers.

Tickets were donated by the DEER Shriners. They called various people asking them to donate money to this fund; if the people donated, they were sent four tickets for later movies at the Clark Cinemas. The donors could either use the tickets themselves or sign the backs for them to be distributed throughout the schools.

The students were there from approximately 9:30 a.m. until 12:15 p.m., and returned to the school for lunch. Transportation was provided by individual schools.

GIFTED CLASS
By: SHELLA RUGG
The Middle Ages, Secret Codes, Ghosts, Junk Food, Robots, Computers, Astronomy and the Solar System are some of the areas the gifted class studies each Friday. During the day the students work on different areas because they are able to choose what they want to study. Mrs. Elizabeth Dyer, gifted education teacher, tries to instill in each student the responsibility for their own activities.

The children learn by creating crossword puzzles, writing poems, plays and stories; and making posters, charts and graphs. They also use "Think Lab" from SRA to help them learn to use critical thinking skills. Each student gets to use the computer for at least 30 minutes, using discs that contain a variety of learning games in areas including math, reading, language, arts, map skills, critical thinking, science and social studies. The class is made up of nine students: one third-grader, six fourth-graders and two fifth-graders.

NEW LIBRARY SUPPLIES
By: BRIAN MCLEOD
The Zion Chapel library has received \$2100 in Enrichment Funds for the purchase of new supplies for the library. The money will be divided equally between the high school and elementary libraries, and will be spent on books, magazines, video cassettes, sound filmstrips, vertical file information and slides.

Orders for the materials will be placed on three different dates: two separate orders of \$400 on March 30 and May 20, and a final order of \$420 on August 25. Mrs. Lowery, school librarian, said, "We haven't ordered any media materials in several years and the new materials will be very helpful." All of the new materials will be ready for use in the 87-88 school year.

ACHIEVEMENT TESTS SCHEDULED
By: ASTRID BLASCHKA
April 6-10 students will take the Basic Competency Test (BCT), Stanford Achievement Test (SAT), and the Otis Lennon Student Ability Test (OLSAT). The third-, sixth- and ninth-graders will take the BCT; grades 1, 2, 4, 5, 8 and 10 will take the SAT and OLSAT.

The major purpose of taking the BCT is to ensure that every Alabama student has the opportunity to master the basic skills of reading, mathematics and language necessary to earn a high school diploma. The SAT is used to gather information about a student's achievement in the areas of reading, language, mathematics, listening, science and social science. It compares students with their peers on a school, system, state and national basis. The OLSAT is a measure of a student's ability to perceive; to recall what has already been perceived; to think logically and abstractly; and to perceive and generalize relationships. The OLSAT makes it possible to compare a student's performance on the SAT with the performance of other students with the same ability. The state will provide the materials needed for testing.

Coffee County peanut producers take top awards at the 25th annual Alabama Peanut Club banquet. These awards were given to producers in the Wiregrass region who made over 4,000 pounds per acre. Receiving awards for their peanut yields in the less-than-50-acre category are L-R: John Hudgens of the Brooklyn Community; Lee Helms, Mr. Pleasant; 51-150-acre category: Charlie Clark, Kinston; Billy Wyroddick, Elba; Rob Rhoades, 4-H'er from Elba; (Not pictured - Terry and Larry Carnley, Kinston). Charlie received the top award in the 51-150-acre category with a 5059-pound yield per acre on 78 acres.

NEWS FROM AROUND THE COUNTY

WHEELER G. FOSHEE III
Assistant County Agent

If you would like to know more about caring for your pecan trees, there will be a management short-course in Troy at the Holiday Inn on April 7.

4-H GARDENS
Larry Beavers, a 4-H'er from the Kinston area, is once again planning his garden for the upcoming year. He has been growing vegetables and selling them at the courthouse in Elba.

Many other 4-H'ers in the county are learning first-hand about gardening through this project. Let me urge the 4-H'ers in the gardening project to finalize plans for their gardens and soil test if they haven't at this point.

Also, now is a good time to plant some early spring garden greens such as turnips, mustard and radishes. These vegetables produce in 30 to 45 days. Recommended varieties are Purpletop White Globe and Shogun turnips; Florida Broad-leaf and Giant Southern Curled mustard; and Cherry Belle and Scarlet Globe radishes.

TAXES FOR OPERATING LOSSES
Coffee County farmers who have lost money need to know how to handle an operating loss on their

taxes. Net operating loss can be carried back three years or carried forward up to 15 years or until it is used up. You can forego the carryback and use the deduction to offset income in the 15 years after the loss year. If you don't elect to do that, the deduction must be in chronological order the following years.

If you carry back a net operating loss deduction, you could get a refund of taxes paid in previous years. You can file the claim for a refund any time within three years after the due date of the tax return for the year of the net operating loss.

According to Larry Roberts, Extension economist at Auburn, be sure to get help from a qualified tax consultant if you have a net operating loss.

PRUNING BERRIES
Now is a good time to finish pruning your blackberries or raspberries. Older canes should have been removed after harvest last summer. If they were not, do it now before full bloom.

Most primary canes will have many side shoots. Prune off the terminal part of side shoots, leaving them 12 to 16 inches long. This increases fruit size and quality.

HOUSEPLANTS - CLEAN PLANTS
The leaves of your house plants should be cleaned once or twice a month. Use a damp sponge or a soft

brush. When the leaves are rubbed, the natural oils and waxes on the leaf surface will produce a high gloss. If the leaves are very dirty, use a solution of mild soap and warm water. Let the leaves air dry. Then polish them with a dry cloth.

Plants with hairy leaves are more difficult to clean. Dusting with a soft camel's hair brush may do the job. Occasionally, you may want to try syringing with clean, warm water. Do not use water that is cooler than room temperature. Cold water can cause spotting of the leaves on some plants.

You can also buy leaf polishes. To avoid leaf burn, water the plants several hours before using these polishes. Never use any kind of oil on plant foliage.

TIPS FOR GROWING TOMATOES

The most popular vegetable grown in Coffee County gardens is the tomato. When properly pruned and staked, just a few plants will provide an abundance of fresh tomatoes as well as make lovely landscape plants.

Here are a few tips to help you get high yields and top quality tomatoes in the months ahead:

1. Plant recommended varieties. Atkinson, Bonnie's and Better Boy are well adapted for home garden use and are all nematode resistant.

2. Buy good plants. Select plants that are stocky, thrifty and disease free. Stay away from plants that have spots on their leaves and stems or knots on the roots.

3. Select a site that is bright and sunny. Be sure a good supply of water is nearby. Prepare soil by digging or plowing the area 8 to 10 inches deep. Remove all grass, rocks and weeds and mix rotted sawdust or compost with the soil.

4. Before planting, soak the root system. If you buy bare root plants, soak them in water for at least 30 minutes. If plants are in peat pots, soak the roots (peat pot and all) for at least an hour.

5. Fertilize properly. Water young plants weekly with a solution made from 2 teaspoons of a complete fertilizer (8-8-8 or 10-10-10) per gallon of water. Sidedress tomatoes with ammonium nitrate every 3 to 5 weeks as needed to keep them growing. Use about one tablespoon per plant and sprinkle in a wide band about 8 inches from the base of the plant. Begin sidedressing when the first fruit is about 1 1/2 inches in diameter.

6. Tomatoes should be protected from diseases. Your fungicide spray program should start two weeks after planting and continue weekly throughout the season. Some of the recommended fungicides are Zineb, Maneb and Bravo.

7. Water the soil often enough to keep moisture available to the plants. This helps eliminate fruit cracking and blossom-end rot. A 2- to 3-inch layer of mulch will help control weeds and maintain moisture. Sawdust, hay or pine straw can be used.

It's a rainy Sunday night and all I can think about is how great it will be for sleeping once I hit the sack! I don't really have that much to write about anyway, so for this week I'll just make a few short notes and call it a night.

TIGER BASEBALLERS OPEN SEASON

The Elba High baseball team opened its season last week with a loss to Opp, and despite the loss the Tigers showed they would be a team to keep an eye on in the area race. The Tigers have a lot of good athletes who have all played baseball over the years and once the team gets experience it could be a surprise team in south Alabama! Last year everybody expected the Tigers to win every game they played and the pressure was on throughout the season, but this year the Tigers aren't supposed to be a power, and since there is no pressure on the players, they can just go out and have a good time... and what's more fun than winning!

WRESTLEMANIA III DRAWS BIGGEST CROWD EVER

I read in a daily newspaper that Wrestlemania III, a gigantic battle between the world's best professional (?) wrestlers, drew a sellout crowd of over 92,000 for Sunday's big event. I don't know who won the matches, but you can bet the biggest winners were the folks staging the event and not the wrestlers themselves who did all the hard work.

YOUTH BASEBALL SEASONS DRAW NEAR

The Dixie Youth and Babe Ruth baseball leagues have both already divided up teams and both leagues are busy practicing for the upcoming seasons. The Dixie Youth teams will begin practice games in mid-April and then play doubleheaders on Monday, Thursday and Friday nights, while the Babe Ruth teams will start their season the last week of April and will play two nights a week. Both leagues have a lot of talent and good coaches, and I think this could be the most interesting seasons we've had in a long time!

WHERE HAVE ALL THE SOFTBALL TEAMS GONE???

The city recreation department held its pre-season softball meetings the past two weeks and again this year there was very little interest in adult softball. A couple of years ago the men's league had 16 teams and the women's league had 12, and the ball parks were always packed with fans watching the action; however, this year there weren't any women's teams to sign up and only six men's teams started. Elba has been able to keep down the escalating cost of league fees and has the best parks of any town its size in the nation, but it looks like the softball craze has peaked in Elba and is heading downhill!

I urge the older men and women in Elba to contact the recreation department and ask for leagues for people over 35. Such a classification exists nationwide and the recreation department should provide the league as a service without any entry fees. Recreation isn't just for kids, so why don't the people who want to play just for fun show an interest and ask for a night to use the parks? C'mon peoples, they're your parks!!!

THE 3-POINT SHOT IS COMING TO TOWN

The high school athletic associations around the nation have voted to allow the 3-point shot next year in high school and that means the exciting play will be something to watch at all prep games. At Elba the Tigers' Leon Coleman will undoubtedly light up the scoreboard with his long-range bombs, while other area players to watch will be New Brockton's Rocky Head and Brantley's Wesley Person. I'm not the biggest fan of the 3-point play and have serious doubts as to whether or not two refs can judge if the shots are

from 3-point range or 2; but the shot will bring a new excitement to the game and I guess that's really what it's all about.

IN CLOSING...

I went up to David Collins' taxidermy shop last week and was truly amazed to see the lifelike animals that he has preserved. I'm not a hunter in any sense of the word and will never have a trophy on the wall that I shot; however, if I can talk David out of a mount I may very well have something to see on the wall that everyone else can enjoy looking at.

Elba's Coach Wood Pleased With Spring Football

The Elba Tigers wrapped up spring football drills recently with the annual Black and Gold intrasquad game, and although Coach Mack Wood feels the Tigers' performance in the game was one of the poorest of the spring, the Elba mentor also feels the spring as a whole was the squad's best in many years.

"The intrasquad game was the poorest scrimmage we held all spring, and I don't know if it was due to the heat or the time of day the game was held," stated Coach Wood, "but even with the game it was a very good spring."

"Looking back at the game I was disappointed with the enthusiasm on both sides of the ball, and the fundamental work by the team as a whole. I was expecting a good game and I'm sorry the fans didn't get to see us at our best."

"Several players did have good games, including Jason Johnson, Robert Wilson, Troy Sanders, Jason Hojce, Troy Kelley, Brian Free, Anthony Brooks, Matt Henderson and Leon Coleman, who was injured in the game and had to undergo surgery on his shoulder."

"A lot of players showed real improvement during the spring;

however, these had good games and deserve credit for their efforts."

"If we had another week to practice we'd work on the kicking game one entire day, work against the defensive fronts we'll face during the season and do a lot of work on the passing game," added Wood. "We got a lot done and feel good about the spring, but if we had 20 days to work, we would have used them all."

"Going back to the work we got done, I feel good about the first two units on both sides of the ball and the progress shown by the younger kids up from the junior team. The new

players are well skilled in fundamentals and can provide help at a number of positions next season."

"Heading into the spring," stated Wood, "one of our goals was to get in our base offense so we could be ready to play when the season started. We wanted to pick up where we left off last season and feel we did a pretty good job. Last year we weren't able to do a lot of stuff early in the season due to a lack of work, but we hope that won't be the case this fall. Another area of concern was tackling, a spot we haven't been good at for at least three years!"

"I think all the players worked hard to improve their fundamentals on defense, and right now we feel like we should have a good tackling bunch next season. We knew coming into the spring we had an exceptional group of upcoming sophomores and we started them slow in the spring to let them get their feet wet before throwing them into the heat of battle and the younger kids responded well, and when we did challenge them, they rose to the occasion. We have to have the help of a number of younger players next season if we are going to be able to compete at the level we play during the regular season, and we think we've got a group that will get better and better as we go."

"All in all," stated Coach Wood, "I think it was one of the best springs we've had in a number of years. Everybody came to practice, the injuries were few and minor, and the spirit was good. It was a good spring at Elba High."

Zion Chapel High School Holds All-Sports Banquet

By: Diane Parker

Mr. Steadman Shealy was guest speaker for the Zion Chapel High School 1986-87 athletic banquet.

The banquet was held to honor the football and basketball players, cheerleaders, coaches and sponsors for each group.

Menu was grilled steak, baked potato, green salad, Texas toast and ice cream.

After the meal, Mr. Tom Dyess introduced the speaker.

Mr. Shealy spoke about setting goals and reaching those goals. He also talked about his football days at the University of Alabama under the late Coach Bear Bryant.

Mr. Shealy was a former quarterback at the University, and during his years at Alabama, the team won the national championship.

He is presently practicing law in Dothan and is a member of the State Board of Education. Through his affiliation with the Fellowship of Christian Athletes (FCA) he has become a popular after-dinner speaker as well as a speaker at church events. He says his greatest enjoyment in life is living daily for Jesus Christ.

Awards were given for participation in the various athletic programs. Mrs. Rhonda Brunson, junior varsity cheerleader sponsor, gave the junior varsity cheerleaders their certificates and awards. Cheerleaders are Shae Oglesby, Michelle Oglesby, Shann Cotton, Shea Stinson, Sharon Rodgers, Shannon Ward and Catrina Rodgers.

Mrs. Marsha Oggs, varsity cheerleader sponsor, recognized the varsity cheerleaders who received certificates and awards for their dedication. Varsity members are Dedra Gatlin, Sheila Rugg, Connie Flowers, Diane Parker, Astrid Blaschka and Cheryl Faison.

The varsity cheerleaders presented Mrs. Oggs with a dozen long-stemmed red roses and a gold platter.

Cheer Charles Smith gave the certificates to the 1986-87 football players, and Coach Moates awarded the special trophies.

Winners were:

Most Valuable Player - Greg Little

Team captains - Brian McLeod and Bryan Amlong

Mr. Desire - Sean Collins

Mr. Headhunter - Davy Bryan

Mr. Clutch - Robert Smith

Mr. Hunter - Thomas Boswell

Most Improved - Douglas Evans

Mr. Versatile - Roland Bell

Mr. Consistent - David Johnson

All-Conference players - Greg Little and Bryan Amlong

All-Conference honoraries were Thomas Boswell, Sean Collins, Brian McLeod, Davy Bryan, Douglas Evans and Robert Smith.

Junior varsity basketball and team certificates were presented by Coach Smith and Coach Moates.

Varsity basketball players were presented with certificates by Coach Wayne Holey, varsity coach, who also presented special trophies.

The recipients were:

Most Valuable Player - Dale Lipiot

Most Improved - Robert Smith

Athlete - Scotty Lee

Mr. Clayton Bryant, Coffee County Superintendent of Education, made the closing remarks. He expressed his enthusiasm for Zion Chapel's sports future.

FEATURED SPEAKER... at the annual event was Steadman Shealy, former football star at the University of Alabama and currently an Attorney in Dothan, serving on the State Board of Education.

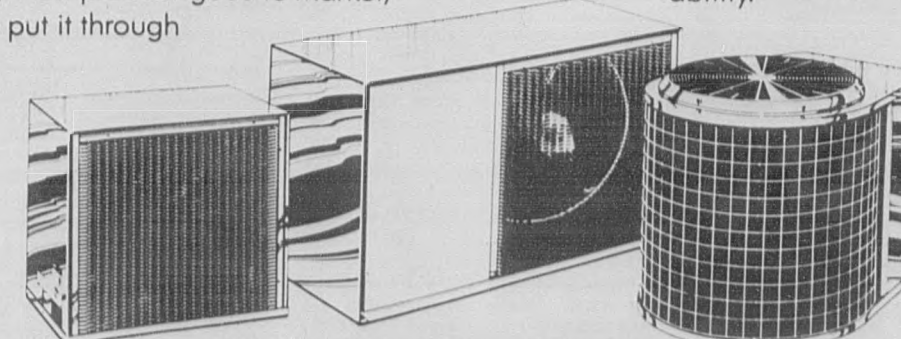

We've engineered dependability into every central air conditioning system we make.

When you buy a central air conditioning system, you want dependability and freedom from worry. You want a system that's tough enough to stand up to anything summer can dish out.

To insure that our systems give you the dependability you're looking for, we engineer it into them. And, before any Heil product goes to market, we put it through

one of the toughest product testing labs in the country—our own. If it doesn't measure up, it never leaves the drawing board.

For the most economical system to the super-advanced, energy-efficient Hermitage Elite air conditioning system, Heil is the choice for proven dependability.

Be it enacted by the Legislature of Alabama:

Section 1. In the 12th Judicial Circuit the fee authorized by Section 12-17-224, Code of Alabama 1975, to be collected by the special services division of the district attorney's office shall be \$50.00. This fee shall be distributed by said division as follows: The amount collected by both counties of said circuit each month shall be totaled and 30% of said total shall be divided equally between said counties and shall be used for judicial compensation, prosecutor compensation or other law enforcement purposes; 70% of the total shall be retained by the district attorney and may be used for law enforcement purposes and any other expenses of the district attorney's office as determined by the district attorney.

Section 2. In the 12th Judicial Circuit the special services division of the district attorney's office is authorized to collect up to \$10 for each worthless check said division accepts by the person who wrote or negotiated said check and said fee shall be paid to the person who received said worthless check.

Section 3. All laws or parts of laws which conflict with this act are hereby repealed.

Section 4. The provisions of this act are severable. If any part of the act is declared invalid or unconstitutional, such declaration shall not affect the part which remains.

Section 5. This act shall become effective immediately upon its passage and approval by the Governor, or upon its otherwise becoming law.

SYNOPSIS: This bill provides county salary supplements for the circuit judges and district attorney in the 12th Judicial Circuit and prescribes the formula and conditions for such supplements.

A BILL TO BE ENTITLED AN ACT

Relating to the Twelfth Judicial Circuit; providing certain local salary supplements for the judges and district attorney in said circuit to be paid from county funds on a share and share alike basis by the counties comprising said circuit; prescribing a certain formula for increases in such salary supplements and prescribing certain procedures and conditions relating to the payment of such supplements.

Be it enacted by the Legislature of Alabama:

Section 1. Commencing on the first day of the first month next following the effective date of this act, the circuit judges and district attorney of the Twelfth Judicial Circuit shall each receive a local salary supplement in the amount of \$1,170.00 per month to be paid on a share and share alike basis from county funds belonging to the two counties comprising said circuit.

Section 2. Commencing October 1, 1988, and on the first day of October of the years 1989, 1990, 1991 and 1992, the circuit judges and the district attorney of the Twelfth Judicial Circuit shall each be entitled to receive an annual increase in local salary supplement in an amount equal to 2% of the total amount of any state salary plus any local salary supplement that each circuit judge is receiving on the first day of the aforementioned fiscal years. Such local salary supplements shall be paid on a share and share alike basis from county funds belonging to the counties comprising said circuit. Provided, however, that in any year that funds generated to the counties general fund from the Worthless Check Fees shall be terminated for any reason, or the amount generated the previous year is not sufficient to cover 2% increase, then under those standards, a county governing body of either of the two counties in said circuit is hereby authorized and empowered to either delay for a time certain or totally nullify an increase in any local salary supplement, as provided herein, by duly adopting and spreading upon its minutes a resolution stating its intent to so delay or nullify such increase. Provided further, that such judges and the district attorney shall not be entitled to receive more than one local salary supplement increase, as herein provided, during the fiscal year regardless of any portion or the whole of any local salary supplement increase that may have been delayed or nullified by appropriate action of the county governing body. The total amount of any local salary supplements for such judges and the district attorney in this section, the gross receipts of any business and the gross proceeds of all sales which are presently exempted under the state sales tax statutes from the computation of the amount of the additional tax imposed in this section, the gross receipts of any business and the gross proceeds of all sales which are presently exempted under the state sales tax statutes from the computation of the amount of the additional tax imposed in this section, shall be paid to and collected by the state department of revenue at or prior to the due dates of the tax hereon levied each person subject to such tax shall file with the state department of revenue a report or return in such form as may be prescribed by the department setting forth, with respect to all sales and business transactions that are required to be used as a means for the tax levied, a correct statement of the gross proceeds of all such sales business transactions. Such report shall also include such other items of

STATE OF ALABAMA COUNTY OF COFFEY

NOTICE is hereby given that a bill substantially as follows will be introduced in the next session of the Legislature of Alabama and application for its passage and enactment will be made, to-wit:

A BILL TO BE ENTITLED AN ACT

Relating to Coffee County; levying an additional sales tax paralleling the state sales tax provided for in Sections 40-23-1, 40-23-2, 40-23-3 and 40-23-4, Code of Alabama 1975, as amended, providing for the collection, distribution and use of the proceeds of such tax; providing for the enforcement of this act; and providing for the punishment for violation of this act.

Be it enacted by the Legislature of Alabama:

Section 1. The provisions of this act shall only apply to Coffee County.

Section 2. All words, terms, and phrases as defined in Sections 40-23-1, 40-23-2, 40-23-3 and 40-23-4 of the Code of Alabama 1975, as amended, providing for the levy of a state sales tax shall, wherever used in this act, have the same meanings respectively ascribed to them in said sections, except where the context clearly indicates a different meaning. In addition, the following words, terms, and phrases when used in this act shall have the following respective meanings: except where the context clearly indicates a different meaning:

"State sales tax" means Sections 40-23-1, 40-23-2, 40-23-3 and 40-23-4 of the Code of Alabama 1975, as amended, which levy a certain retail sales tax, and include all statutes, including amendments to said sections, which expressly set forth any exemptions from the computation of the tax levied by said sections and all other statutes which expressly apply to, or purport to affect, the administration of said sections and the incidence and collection of the tax imposed therein.

"State sales tax" means the tax imposed by the state sales tax statutes;

"Month" means the calendar month;

"County" means Coffee County.

Section 3. There is hereby levied and imposed in addition to all other taxes, including municipal gross receipts license taxes now imposed by law, a special county one cent privilege license tax paralleling the state sales tax, such privilege license tax to be determined by the application of rates against gross sales or gross receipts, as the case may be, and within specified areas.

There are exempted, however, from the provisions of this section and from the computation of the amount of the additional tax imposed in this section, the gross receipts of any business and the gross proceeds of all sales which are presently exempted under the state sales tax statutes from the computation of the amount of the additional tax imposed in this section, shall be paid to and collected by the state department of revenue at or prior to the due dates of the tax hereon levied each person subject to such tax shall file with the state department of revenue a report or return in such form as may be prescribed by the department setting forth, with respect to all sales and business transactions that are required to be used as a means for the tax levied, a correct statement of the gross proceeds of all such sales business transactions. Such report shall also include such other items of

information pertinent to the said tax and the amount thereof as the state department of revenue may require. Any person subject to the tax levied may defer reporting credit sales until after their collection, and in the event such person so defers reporting them, such person shall thereafter include in each monthly report all credit collections made during the month preceding, and shall pay the tax due thereon at the time of filing such report. All reports or returns filed with the state department of revenue under this section shall be available for inspection by the Coffee County Commission, or its designated agent, at reasonable times during business hours.

Section 5. Each person engaging or continuing within Coffee County in a business subject to the tax levied in Section 3 of this act, shall add to the sales price or admission fee and collect from the purchaser or the person paying the admission fee the amount due by the taxpayer on collection and enforcement all rights shall be unlawful for any person subject to said tax to refund or offer to refund any part of the amount so collected or to absorb or advertise directly or indirectly the absorption or refund of said tax or any portion thereof.

Section 6. The tax imposed by this act shall constitute a debt due Coffee County and may be collected as provided by law. The said tax, together with interest and penalties with respect thereto, shall constitute a lien in favor of the state of Alabama in and to the property of any person from whom said tax is due or who is required to collect said tax. All of the provisions of the revenue laws of this state which apply to enforcement of liens for license taxes due this state shall apply fully to the collection of the tax herein levied, and the state department of revenue shall have full authority to employ such special counsel as it deems necessary from time to time to enforce collection of the tax levied by this act, and to otherwise enforce the provisions of this act, including any litigation involving this act; and the department shall pay such special counsel such fees as are deemed necessary and proper from the proceeds of the tax collected by it for Coffee County.

Section 7. All provisions of the state sales tax statutes with respect to payment, assessment, and making of reports and keeping and preserving records with respect to the tax, the promulgation of rules and regulations with respect to the state sales tax, and the administration and enforcement of the state sales tax statutes, which are not inconsistent with the provisions of this act when applied to the tax levied in Section 3 of this act shall apply to the collection of this act. The state commissioner of revenue and the state department of revenue shall have and exercise the same powers, duties and obligations with respect to the county tax levied under this act that are imposed on such commissioner and department, respectively, by the state tax statutes. All provisions of the state sales tax statutes that are made applicable by this act to the county tax levied under this act and to the administration and enforcement of this act are hereby incorporated herein by reference and made a part hereof as if fully set forth herein.

Section 8. The state department of revenue shall charge Coffee County for collecting the special county tax levied under this act such amount or percentage of total collections as may be agreed upon by the commissioner of revenue and the Coffee County Commission, but such charge shall not, in any event, exceed ten percent of the total amount of the special county tax collected in said county under this act, as such tax is received by the state department of revenue on or before the first day of each successive month (commencing with the month following the month in which the department makes the first collection hereunder) the commissioner shall charge the county with the amount of tax hereon levied each person subject to such tax shall file with the state department of revenue a report or return in such form as may be prescribed by the department setting forth, with respect to all sales and business transactions that are required to be used as a means for the tax levied, a correct statement of the gross proceeds of all such sales business transactions. Such report shall also include such other items of

tax for the county. It shall be the duty of the comptroller to issue his warrant each month payable to the county treasurer of Coffee County in his official capacity in an amount equal to the amount so certified by the commissioner of revenue as having been collected for the use of the county. He shall then deliver to the Coffee County Commission the balance remaining.

For the initial four years after the implementation date of the tax, all revenues arising from the taxes herein levied shall be distributed in the following manner:

25% to the Coffee County General Fund

75% to the county school systems.

The average daily attendance formula used by the state to distribute state and local funds shall be used by the county to distribute said educational funds to the school systems.

After the expiration of the initial four-year period after the implementation date of the tax, said funds shall be distributed in the following manner:

20% to the Coffee County General Fund

80% to the county school systems.

The average daily attendance formula used by the state to distribute state and local funds shall be used by the county to distribute said educational funds to the school systems.

Section 9. The provisions of this act are severable. If any part of this act is declared invalid or unconstitutional, such declaration shall not affect the part which remains.

Section 10. All laws or parts of laws which conflict with this act are hereby repealed.

Section 11. This act shall become effective the first day of the second month following its passage and approval by the Governor, or upon its otherwise becoming law. However, the provisions of this act shall be conditional on the state of Alabama's Commission rescinding the one cent sales tax levied by action of the Coffee County Commission on August 25, 1986. Until said one cent sales tax is rescinded by the Coffee County Commission, the taxing provisions of this act shall have no force and effect.

STATE OF ALABAMA COUNTY OF COFFEY

NOTICE is hereby given that a bill substantially as follows will be introduced in the 1987 Regular Session of the Legislature of Alabama and application for its passage and enactment will be made, to-wit:

A BILL TO BE ENTITLED AN ACT

Relating to Coffee County; authorizing the Coffee County Commission to levy an additional county privilege, license, or excise tax on the sale, distribution, storage, use or other consumption of tobacco and certain tobacco products in such county; providing for the collection and enforcement of the tax; and authorizing the county commission to enter into service contracts for county fire protection; expressing legislative intent regarding said contracts; and repealing Act 86-718, 1986 1st Special Session.

Be it enacted by the Legislature of Alabama:

Section 1. The Coffee County Commission is hereby authorized to impose upon every person, firm, or corporation who sells, stores, delivers, uses or otherwise consumes tobacco or certain tobacco products in Coffee County a county privilege, license or excise tax in the following amounts:

(1) Five cents (\$0.05) for each package of cigarettes, made of tobacco or any substitute thereof.

(2) Two cents (\$0.02) for each cigar of any description made of tobacco or any substitute thereof.

(3) Two cents (\$0.02) for each cigarette, package, or other container of smoking tobacco, including granulated, plug cut, crimp cut, ready rubbed, and other kinds and forms of tobacco which are prepared in such manner as to be suitable for smoking in a pipe or cigarette.

(4) Three cents (\$0.03) for each sack, plug, package, or other container of chewing tobacco, which is prepared in such manner as to be suitable for chewing only and not suitable for smoking as described in subsection (c) of this section.

(5) Three cents (\$0.03) for each can, bottle, glass, tumbler package or other container of snuff made of tobacco or any substitute thereof.

Said privilege, license or excise tax shall be in addition to all other federal, state or local taxes heretofore imposed by law.

Provided, however, when the license tax hereby required to be paid shall have been paid by a wholesaler or seller of cigarettes, cigars, snuff, smoking tobacco and like tobacco products, such payment shall be sufficient, the intent being that such license tax hereby required to be paid shall be paid out on each package of cigarettes and on each cigar.

Section 2. Upon adoption of a resolution by the Coffee County Commission, every person, firm, corporation, club, or association that

sells or stores or receives for the purpose in Coffee County any cigarettes, cigars, snuff, smoking tobacco and like tobacco products shall add the amount of the license or privilege tax levied and assessed herein to the price of the cigarettes, cigars, snuff, smoking tobacco products, it being the purpose and intent of this provision that the tax levied is, in fact, a levy on the consumer with the person, firm, corporation, club or association, who sells or stores or receives for the purpose of distributing the cigarettes, cigars, snuff, smoking tobacco and like tobacco products, acting merely as agent for the collection of the tax. The dealer, storer, or distributor shall state the amount of the tax separately from the price of the cigarettes, cigars, snuff, smoking tobacco and like tobacco products, on all price display signs, sales or delivery slips, bills and statements which advertise or indicate the price of the cigarettes, cigars, snuff, smoking tobacco and like tobacco products.

Section 3. It shall be unlawful for any dealer, storer or distributor engaged in or continuing in Coffee County in the business for which the tax is hereby levied to fail or refuse to add to the price and collect from the purchaser the amount due on account of the tax herein provided or to refund or offer to refund all or part of the amount collected or to otherwise advertise directly or indirectly the absorption of the tax or any portion thereof.

Section 4. The proceeds from the tax hereby authorized, less the actual cost of collection not to exceed five per centum (5%) shall be paid by the state department of revenue to the Coffee County Commission, on a quarterly basis. Five percent (5%) of said revenue shall be paid into the county general fund. The remaining revenue shall be placed by the Coffee County Commission into a special account to be used exclusively for county fire protection purposes. The county commission shall be authorized to enter into service contracts with individual volunteer fire departments and/or with associations of volunteer fire departments to provide fire protection to a part or all of the county. The compensation for said contracts shall be paid from funds in said special account. The county commission shall be authorized to develop certain standards and criteria which shall be met by all volunteer fire departments with which it enters into contract.

It is the intent of the legislature that said contractual agreements shall be considered as a contract between the county and an independent contractor. It is the intent of the legislature that said volunteer fire departments shall not be considered as employees, servants or agents of the county and the members of the county commission and the employees of the county shall not be liable in either their official capacity or in a private capacity for the actions of said volunteer fire departments.

Section 5. The tax hereby authorized shall be paid by affixing stamps as is required for the payment of the tax imposed by Section 40-23-1 through Section 40-25-28, Code of Alabama 1975. The state department of revenue shall have the same duties relative to the preparation and sale of stamps under these sections and may exercise the same powers and perform the same duties in the same manner relative to the collection of the tax hereby levied that it does relative to the collection of that tax.

Section 6. The state department of revenue is hereby authorized to promulgate and enforce rules and regulations to effectuate the purpose of this act. All such rules and regulations duly promulgated shall have force and effect of law.

Section 7. All laws, and rules and regulations of the department of revenue, relating to the manner and time of payment of the tax levied by Section 40-25-1 through Section 40-25-28, Code of Alabama 1975, as amended, requiring reports from dealers and prescribing penalties for violations shall apply with equal force to the tax levied by this act as fully set out herein.

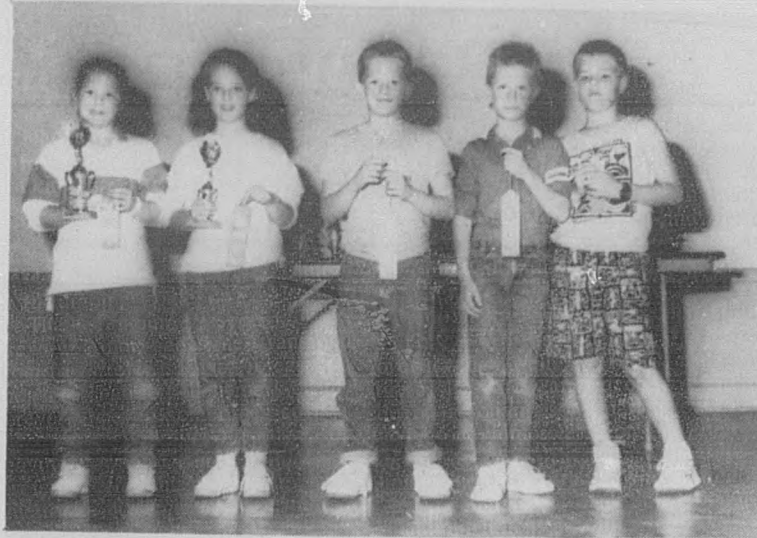

Section 8. (a) None of the provisions of this act shall be applied in such manner as to be in violation of the commerce or other clauses of the federal or state constitution.

(b) This statute shall not be construed to apply to cigarettes, cigars, snuff, smoking tobacco and like tobacco products stored by a wholesaler dealer for the purpose of resale or reshipment outside of such counties which are actually resold or reshipped.

Section 9. The provisions of this act are severable. If any part of the act is declared invalid or unconstitutional, such declaration shall not affect the part which remains.

Section 10. The provisions of this act shall be in addition to all other federal, state or local taxes heretofore imposed by law.

Section 11. This act shall become effective immediately upon its passage and approval by the Governor, or upon its otherwise becoming a law.

Senior Citizens At Brockton To Have Fund-Raising Day

The New Brockton Senior Citizens will sponsor a fund-raising day on April 11 at the New Brockton depot building.

Barbecue plates will be served at a cost of \$3.50 per plate, and serving will begin at 11 a.m.

There will be entertainment consisting of Bluegrass and gospel music, square dancing and an auction.

The auction will begin at 1 p.m. and continue until all items are sold. Ronnie Vaughan of Elba will be the auctioneer.

Groceries worth \$100 will be given away at 2 p.m.

Proceeds from the day's events will go toward renovating the depot for the Senior Citizens building.

Chestnut Grove Senior Senior Citizens Meet

The senior citizens of Chestnut Grove met March 26 with 12 members present.

Special guest for the day was Judge Marjorie Brunson.

Due to illness several members were absent. Those present were: Eunice Killingsworth, Bonnie McLendon, Leander McLendon, Lyle Weber, Edna Weber, Fonda Tillman, Evelyn Hall, Jannie Ziglar, Vencie

Appreciation Dinner Given For Adult Volunteers At ESJC

Can you imagine how you would feel if you were not able to read this newspaper, the instructions on a medicine bottle, or a telephone directory?

Twenty-seven million - or approximately one in five American adults are functionally illiterate. Functional illiteracy refers to a person's inability to use basic reading, writing and computational skills in everyday life situations.

Illiteracy is a serious problem nationally and locally. In Alabama, there are more than 200,000 adults who are functionally illiterate. In the fall of 1986, a workshop was held at Enterprise State Junior College for volunteers who were willing to tutor adults who want to learn to read.

The response to the workshop was overwhelming. Presently there are 41 volunteers tutoring adults ranging from 18 to 60 years of age. And, more volunteers are needed.

Recently, the volunteers were honored at an appreciation dinner held at ESJC. In welcoming the volunteers, Dr. Joseph Talmadge, president of ESJC, said, "It is interesting to discover all the ways that illiterate adults have devised to hide the fact that they can't communicate with others. An educated society is the best way to protect ourselves, and your efforts do not go unrewarded."

During the dinner, volunteers had an opportunity to exchange their tutoring experiences. "It's wonderful to see a whole new world opening up for these adults," commented one tutor. "That's all the payment I need!"

Donna Gilstrap organized the volunteer tutor program and trained the volunteers.

(AgraTech GK-7 Peanut Seed)

Clearly Defined Rows at Harvest
The strong, erect AgraTech GK-7 main stem makes locating rows faster for more thorough inverting. Unturned nuts are like money left in the ground.

Genetically Different From Florunner and Sunrunner
Disease can spread through a single variety. AgraTech GK-7 gives you added peace of mind.

Produce Nuts - Not Vines
Less vegetative growth than Florunner means less chance for fungus and disease, and easier harvesting.

Unsurpassed Grades
Not only does AgraTech GK-7 beat Florunner and Sunrunner in yield results, you never sacrifice grade. For more return per acre.

Stronger Peg Attachment
Harvest more of the crop you make with AgraTech GK-7 because stronger pegs mean fewer peanuts left in the ground.

7% Higher Yields Than Florunner and Sunrunner
Harvest after harvest, AgraTech's GK-7 consistently out-yields Florunner and Sunrunner.

AGRATECH GK-7

AgraTech GK-7 out performs 'em all.

Owing unto the Lord a new song; for he hath done marvelous things: his right hand and his holy arm hath gotten him the victory. The Lord hath made known his salvation; his righteousness hath been openly shown in the sight of the heathen. He hath remembered his mercy and his truth toward the house of Israel; all the ends of the earth have seen the salvation of our God. Make a joyful noise unto the Lord all the earth; make a loud noise and rejoice, and sing praise. Since unto the Lord with the harp; with the harp and the voice of a psalm. With trumpets and sound of cornet make a joyful noise before the Lord, the King. PSALM 98:1-6

***Thinking of you, praying for you: Mrs. Frances Wade, Mrs. Theima Williams, Miss Quessie Dawson, Ms. Margaret Dawson, Mrs. Nadine Daniels, Mrs. Mertie L. Daniels, Dr. and Mrs. W.M. Ringsdorf, Rev. J. Stevens.

***Monday night, March 16, at 7 p.m. the Young Adult Choir of the Rocky Head M.B. Church, Elba, traveled to Selma and appeared on TV Station WAKA's Gospel Outreach and the choir was on the Sunday morning Gospel Hour at 6 a.m. on March 22, Rev. Vernon Spicer, manager.

Those attending from Elba were Rev. A.R. Williams, Bessie Williams, Evelyn Guiley, Sharon Williams, Maria Kelley, Kimberly Kelley, Patti M. Williams, Wiley and

Juanita Brooks, (Enterprise), Roderick Rideaux, Elba, and Mr. Payne, Greenville, (musicians for the choir) and Eria Belcher.

Rev. Williams is pastor of the Rocky Head M.B. Church.

Things don't just happen to children of God.

They're part of a wonderful plan. The troubles, reverses, the sorrows, the road.

Are strokes of the Great Sculptor's Hand.

Things don't just happen to children of God.

The blueprint was made by his hand - He designed all details to conform to His Son.

So all the things that happen are planned.

MILDRED F. WALKER

Mrs. Mildred Walker, Enterprise, was born in Enterprise, to Mrs. Phadie Baxter. She is married and the mother of two children: Eva Hamilton, Enterprise, and Barbara Wright, Junction City, Kansas.

Mrs. Walker is a member of Johns Chapel A.M.E. Church, Enterprise, Rev. Robert Balthrop Jr., pastor. She is president of the Stewardess Board, member of the choir and Delta Sigma Zeta chapter Alpha Pi Chi Sorority, Ladies Aid and former owner of Mildred's Wig Shop in Enterprise; and member of Retired Teachers Association.

Mrs. Walker says, "I enrolled in college in 1941. I wanted to be a Home Economics teacher, and my first year teaching was with 4th and 5th grades at Coffee County Training School, Prof. Robinson principal.

The next year I was recommended by Mr. Mattie Rogers to work in Henry County. I wanted to be more qualified to teach, so I continued to attend school in the summer until I completed four years at A & M College, Normal, Alabama, in 1953.

"But before I completed my college education, I worked with the Coffee County Board of Education. I taught first - third grades at Warren Smith, New Brockton, with Prof. Youngblood and Rev. Coleman as principal.

"In 1972 I worked with the National Teacher Placement Bureau. In 1973 I returned to school, studying to teach the mentally retarded at Troy State College. In 1974 I worked with the Henry County Board of Education in Headland, teaching special education. After 30 years (23 in Coffee County and 5 years in Henry County), I retired from the teaching profession."

Mrs. Walker is a quiet, lovely lady, a proud mother and grandmother. I have the utmost respect and admiration for her, and her influence extends not only to her family but beyond.

Thanks for the interview Mrs. Walker.

Wheeler - April 10.

Remember - But the fruit of the Spirit is love, joy, peace, long-suffering, gentleness, goodness, faith, meekness, temperance; against such there is no law, Gal. 5:22-23 Have a good day!

District Association will be held April 11 at 6 p.m. at the Civic Center in Enterprise.

Sponsors include the Salem-Enterprise District, Christian Education Youth Dept., Rev. V. Coleman, Youth Dept., and Sis. Mary Payne, coordinator.

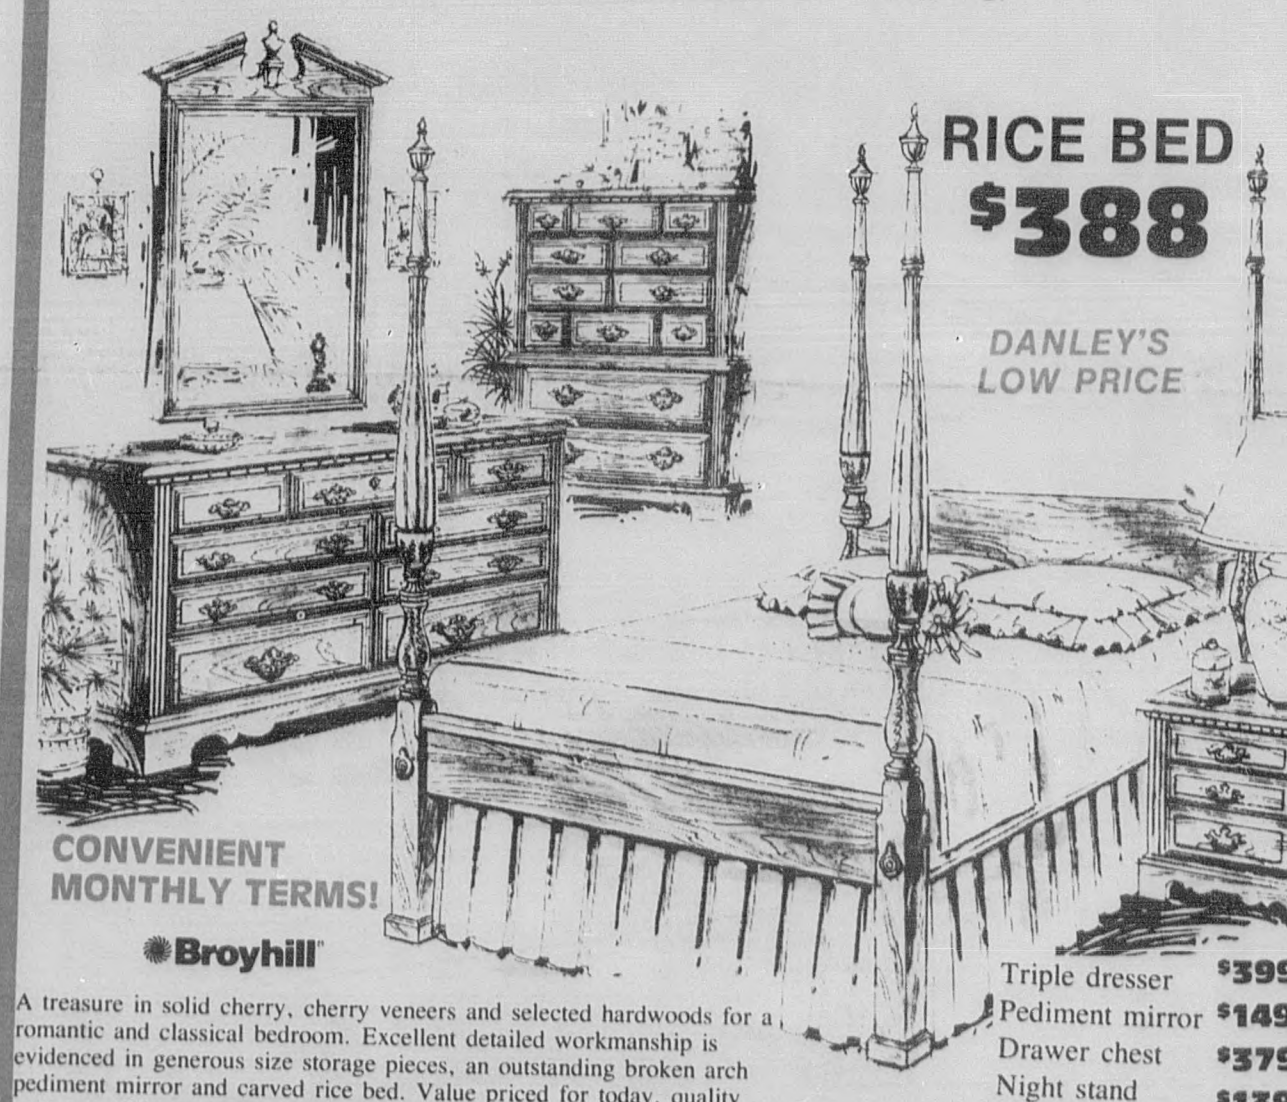

***Ernestine Kelley, Anthony Kelley and Eria M. Belcher, Elba; Wiley and Juanita Brooks and Prattville, Enterprise, were visitors in Prattville and Montgomery last Saturday.

***Charles Wright, playwright who captured a Pulitzer prize in drama this year for his off-Broadway work, "A Soldier's Play," noting that it bothers him that many people think: "When a black person sits down to write all they have on their minds is white people. It's nonsense. I want to show that black people are more than the fat mother, the prodigal son and the poet daughter. I write for all Americans." Jet

WINDSOR PINE By Broyhill

Windsor Pine, a special design of pine solids and pine veneers, framed doors with overlays, and rich woodgrain panels will make dining a pleasure with extraordinary beauty and tasteful style. Sturdy pine is evident in the turned legs and trestle bases as is the beauty and functionality of veneered table tops.

The People Who Feed Us...Need Us! Help Keep America Growing

America needs farms. But America's farmers need support. So now, every UPC SYMBOL from any DEL MONTE® or HAWAIIAN PUNCH® Fruit Punch product you send in along with the pledge card below becomes a 5¢ donation to Farm Aid—which could add up to a total of \$1,000,000. To thank you for participating, you will receive a handsomely designed Certificate of Appreciation with Willie Nelson's signature.

This is a great opportunity for us all to help keep America growing. Don't let it slip away. Because the people who feed us need us now more than ever.

Win a trip to the next Farm Aid Concert.

In addition to supporting this vital cause, you can also enter the Del Monte/Farm Aid Sweepstakes. Ten winners will be drawn to receive free round-trip transportation and hotel accommodations for two to attend the next Farm Aid Concert, where they'll meet Willie Nelson. For entry forms, look for Del Monte displays at participating grocers. NO PURCHASE NECESSARY. To make a direct cash contribution to Farm Aid, or to receive more information, call toll-free 1-800-FARM-AID. Or write to Farm Aid, P.O. Box Farm Aid, Champaign, Illinois 61820

Sheriff H.D. Tillman to be honored April 12 in Elba

ELBA MIDDLE SCHOOL STUDENTS SPREAD THE WORD . . . Students from the Elba Middle School took advantage of the sunny weather last Thursday, April 2, to release 150 balloons filled with messages urging everyone to "Say No To Drugs!" The students had been participating in a drug awareness program at school and used the balloon release to spread the word.

Former Sheriff H.D. Tillman will be honored with a reception on Sunday afternoon, April 12, between the hours of two and four in the afternoon in the main courtroom of the Elba courthouse. The Coffee County Commission has proclaimed that day in honor of the sixteen-year former sheriff, and they and their wives will host the reception.

The public is cordially invited to attend and show their admiration and respect for Tillman.

He was born in the Chestnut Grove Community of Coffee County on May 5, 1905, the only son of the late Edd and Angie Clower Tillman. He had four sisters who are all deceased: Emma married Charlie Helms, Elva married Gus DeVane, Palma married Willie Bell and Thelma married Rev. Comer Fuller. They all grew to maturity on the family farm in the north Coffee County community of Chestnut Grove. They were a Methodist family, and Tillman's membership has always been at the historic Chestnut Grove Methodist Church.

Upon reaching maturity Tillman married Mittie B. Fuller of his native community where they made their home and were successful farmers for some 20 years. It was here and during these years that their children were born: Adeli, Doris and Fred.

When construction began at Ft. Rucker, most of the farm labor in the area went there for employment and left the farm for better wages and a better lifestyle for their families. The Tillmans realized that they could no longer successfully operate their farm without the unavailable farm labor so they left their Chestnut Grove farm and moved to Elba.

H.D. Tillman became chief deputy sheriff of Coffee County and was assigned to the Elba Division. The Tillman family moved into the Coffee County Jail and Mrs. Tillman was the jailer in charge of all records for the sheriff's department. They both worked in these capacities for some two years.

During the World War II years, Tillman was employed as the resident inspector at Dorsey and managed and inspected many of the military contracts. While he served in this position, Dorsey's interest in a great desire to return to the law enforcement work during his years of employment in industry at Dorsey Trailers.

In 1946 he decided to seek the office of sheriff of Coffee County. He got transferred to the night shift so he could campaign during the day. After going home for breakfast he would take his lunch box that Mrs. Tillman had prepared for him and hit the campaign trail. Returning home late in the afternoon, he would sleep until time to get ready for his job. He did this for several months, and was elected by a large majority of votes.

H.D. Tillman became the twenty-eighth sheriff of Coffee County on January 10, 1947. He distinguished himself immediately as an outstanding official and became a greatly admired and respected sheriff from the beginning of his tenure of office. He always took the leadership in executing the many and varied duties of his office and never sent deputies into dangerous situations; he went himself or accompanied a deputy. The deputies respected and appreciated Sheriff Tillman for his total commitment and dedication to good law enforcement in Coffee County.

When he became sheriff, the Tillman family moved back to the Coffee County Jail where they resided during his tenure of office. They also purchased a home on Yolverton Street in Elba where their children could have a home life, but both Sheriff and Mrs. Tillman always met their commitments at the jail as well as at home, and to their three children. They built their present home in 1971.

Sheriff Tillman became a charter member of the first Sheriffs Association organized in the state of Alabama. He was very instrumental and supportive in the organization of Alabama Boys Ranch at Selma, and continued to have a great interest in both organizations.

Tillman was elected five additional times as sheriff of Coffee County, serving 24 consecutive years in that capacity. He served the county well and is a highly respected

official and citizens. He retired from office on January 18, 1971, and he and his wife made their permanent home in Elba. Mrs. Tillman died on January 30, 1974, and is buried in Evergreen Cemetery in Elba. Tillman continued to live in his Elba home and devote much of his time to his lifetime hobbies of hunting and horses. He has been recognized since youth as a skilled and enthusiastic bird hunter and always kept bird dogs as well as a group of bloodhounds which he used during his years as sheriff. Riding his horses was a favorite pastime for him, and he still owns a horse and takes great pride in him.

A second marriage was to Mrs. Onyx Willoughby Eagerton of the New Hope Community of Coffee County; they live most of the time at her home, but still maintain his Elba home and make almost daily trips to town. They are both retired and enjoy a wonderful life together. It is always refreshing and interesting to visit with Mr. and Mrs. Tillman, as they travel about the county and enjoy its beauty, as well as enjoy each other and their family. Tillman has eight grandchildren and three great grandchildren, in which he takes much pride.

He hopes many of his friends will attend the reception.

HISTORICAL MARKER UNVEILED . . . Church members at the Old Tabernacle United Methodist Church remove covering over an historical marker that was dedicated on Sunday, April 5, at the rural Coffee County church. The church is the third oldest Methodist church in Coffee County and an overflow crowd was on hand at the dedication ceremonies to honor past and present church members. The marker will stand in the church yard between the main auditorium and the fellowship hall.

enlarged to its present size.

In addition to the conference-assigned pastors, three local preachers served the church as needed: Travis Z. Hildreth, a charter member licensed to preach in 1860 who served until his death in 1900 without accepting payment for his services; Charlie G. Pope, who arrived in 1899 and served until his death in 1923, and Luke A. Rainey, who served intermittently from 1923 until 1955.

Others licensed to preach from the church were Charles H. Hildreth, Rex M. Mixson, Paul D. Wolfe and Robert G. Ellison. In 1954 the church became a half-time circuit and later in 1968 became a full-time church. The fellowship hall was named in memory of Wade F. Mixson in 1981.

Present pastor Rev. Michael L. White welcomed the overflow crowd to the occasion and Rev. Jonathan C. Couey, Dothan District Superintendent, delivered the invocation. After the gathering joined in the singing of the hymn, "O For A Thousand Tongues To Sing," Rev. Rex M. Mixson, Troy District Superintendent, introduced the Hon. Wayne Mixson, former lieutenant governor of Florida and the 39th governor of the state.

Mixson stated he had a special feeling for the church and informed the crowd that he had two great-grandfathers buried in the church cemetery. Mixson told the gathering that there was a "special light from above shining on the community" and spoke on behalf "of all the people with roots in the community that no longer live in the county but love the church and the community and have a special place in their hearts for the church."

After Rev. White introduced the former pastors in attendance, Probate Judge Marion Brunson spoke on the importance of historical markers. "Historical markers provide a permanent record of significant landmarks," stated Judge Brunson, "and as generations come and go it is easy to forget the heritage of the land. Historical markers honor the past and serve as a reminder to future citizens about history that shaped the world of today."

Mrs. Maud Byrd Windham spoke on the history of the pulpit Bible and gave a colorful history of both the Bible and the church's early days. She reported the first Bible was used for a number of years before it disappeared. William Mixson purchased the Bible on display at the dedication and it was chained to the pulpit to prevent it from being taken from the church, in 1877.

The pulpit and Bible were rescued from the fire that destroyed the church in 1932 and the Bible was later used in the second church until a newer Bible was purchased. Mrs. Windham received the Bible from the church elders and will donate the book to the Pea River Historical Society at the time of her death. She stated that out of curiosity she read the Bible through recently and found marks where 80 sermons had been taken from its pages over the years, despite the fact many pages are now missing, and an accurate count was impossible.

Mrs. Wynelle Lasseter, chairperson of the marker committee, told of the efforts that made the marker possible and reported that Mrs. Windham matched all donations received for the purchase of the marker.

The gathering moved outside the church for the actual dedication of the marker, and following the dedicatory prayer by Rev. Rex Mixson the beautiful marble marker was unveiled. Taking part in the unveiling were Wynelle Lasseter, Don Mixson, Shirley Bowman, Elsie Hilton and Blainne Waters.

A reception followed in the church fellowship hall and the many visitors and church members enjoyed recalling the days of old at the church and the community.

Larry Ware is killed in car wreck

An Elba man was killed instantly last week when the car he was driving skidded out of control on a wet roadway and struck the guardrail of a bridge near Gantt, in Covington County.

The victim, identified as Larry Lee Ware, age 26, was reportedly traveling alone on Thursday night, April 2, at approximately 10 p.m. when the 1982 Nissan Stanza he was driving went out of control on Highway 29 North and hit the guardrail of the Gantt Bridge. The guardrail penetrated the car through the passenger's door, ripping it off and forcing it inside the car. Ware was killed instantly by the impact of the crash.

According to Alabama State Trooper Wesley Zimmerman, who investigated the wreck, Ware apparently lost control of the car on the wet pavement and the car went into a skid and collided with the guardrail, located six feet from the roadway.

Zimmerman stated Ware was at or near the speed limit at the time of crash and speed was no factor in the accident.

Charlotte, N.C., for three years and after a brief stint at the University of Alabama as an instructor, returned to WBTV, where he has worked as anchor man for the past seven years. Copies of Inman's novel, as well as copies of his first published works, "Notes in Closing," will be available for sale at the session and Inman will also autograph copies already purchased.

The day of April 18 will be declared "Bob Inman Day" in Elba and city officials urge all citizens to come out and meet the city's noted author.

Autograph party set April 18

Elba native Bob Inman will hold an autograph session on Saturday, April 18, at city hall from 2 - 4 p.m., and all Elba residents are encouraged to attend the session to renew acquaintances and allow Inman to autograph copies of his first novel, "Home Fires Burning," now on sale to the public in Elba.

Inman son of Sonny and Sis Inman, graduated from Elba High School in 1961 and the University of Alabama in 1965. He served as the newscaster at WSEA-TV in Montgomery and later was press secretary for Gov. Albert Brewer. Inman returned to newscasting at WBTV in
